Warm Hearts

Soup Bowl Fundraiser

you're invited!

Creating and supporting high quality early learning opportunities for children.

Invest in early learning programming today and help Child Care Action Council provide high-quality early learning opportunities in our community. The Warm Hearts Soup Bowl Fundraiser supports programming for over 10,000 children and families. Our Warm Hearts luncheon will take place on **May 5th at 11:30 at the Lacey Community Center**. During our event our guests will hear from early childhood education experts, the Child Care Action team and the community we serve to explain our impact. A minimum donation of \$100 is suggested, which includes lunch and your soup bowl to take home.

At Child Care Action Council our mission is to nurture early learning communities through direct family services, ECEAP preschool programs, and professional development for childcare providers. These programs ensure that every child in our region has access to the quality of care they deserve. During this event, guests will hear directly from early childhood education experts and the families we serve to see the tangible impact of this work.
